

Application for Special Registration

(Applicable for specified person under 14C(10)(c) of the Medical Registration Ordinance only)

According to section 14C of the Medical Registration Ordinance (“MRO”), a person may apply for Special Registration (Part V of the General Register) if -

- (a) the person is a *specified person*;
- (b) the person has been selected for full-time employment as a medical practitioner with special registration in a specified institution; and
- (c) the person is of good character and has good professional conduct.

Pursuant to section 14C(10)(c), “*specified person*”, inter alia, means –

- (c) the person –
 - (i) has been engaged in full-time employment as a medical practitioner with limited registration in one or more than one specified institution for a total of at least 5 years;
 - (ii) has been awarded a Fellowship of the Academy of Medicine in a specialty, or has been certified by the Academy of Medicine to have completed the training, and obtained the qualification, comparable to that required of a Fellow in a specialty by the Academy; and
 - (iii) has been certified by the Academy of Medicine to have satisfied the continuing medical education requirements for the specialty.

Applicant who is a specified person within the meaning of section 14C(10)(c) of the MRO may apply for the Special Registration with immediate effect. Please click [here](#) for information in relation to submission of application form and supporting documents.
