

Polling for 2019 Election of Medical Members of The Medical Council of Hong Kong

A Medical Council election is being conducted to fill 2 anticipated vacancies for elected medical Members of the Council under section 3(2)(j) of the Medical Registration Ordinance. The term of office of the elected medical Members will be for 3 years from 24 January 2020 to 23 January 2023.

Further to the notice of election dated 21 May 2019 issued to all qualified electors inviting nominations for the election, a total of 4 valid nominations have been received by the nomination closing date on 3 September 2019. As the number of validly nominated candidates exceeds the number of vacancies, a postal ballot will be held to elect 2 medical Members to the Council.

The notice of result of nomination and the ballot paper have been issued to all qualified electors. The completed ballot paper must be returned to the Medical Council Secretariat by post on or before 20 November 2019 (i.e. the closing date of polling). Ballot papers postmarked after the closing date of polling will be rejected. As vote counting will be conducted on 17 December 2019, ballot papers posted from outside Hong Kong should be returned by airmail as early as possible to ensure that they can reach the Council Secretariat in time.

For enquiries, please contact the Council Secretariat at telephone number 2961 8705 or 2873 4829.
